Yardworks 48V 3-in-1 Cordless Brushless Push Lawn Mower, 20-in with 5Ah Battery & Charger

★★★★☆ 4.2 (237) | [View Product Details](#)

PDP Component	Description
1) Product Title	A brief summary of what the product is. Good titles help discoverability, customer decision making and SEO.
2) Visual Content	High quality images help increase conversion and decrease the chance of negative reviews or returns. Optimal image count improves SEO. Examples are, but not limited to primary, lifestyle, infographic and detail shots.
3) Product Description	An overview of the key selling points of the product, marketing content and product highlights.
4) Features & Benefits	The product's key features and their benefits in bullet format. Do not repeat the same information in the product description.
5) Specifications	A set of attributes that describes a feature, functionality or style of a product and help customers with product discoverability when used as facets.
6) Resource Manuals	Downloadable files in PDF format. Examples are, but not limited to, user manuals, warranties and instructions.
7) Videos	Product videos help customers understand the end use of the product and highlight features.
8) Ratings & Reviews	Peer-trusted feedback for products written by customers. These reviews validate product quality and customer affinity and have a significant impact on purchasing decisions.
9) Questions	Build loyalty with customers by answering their questions.

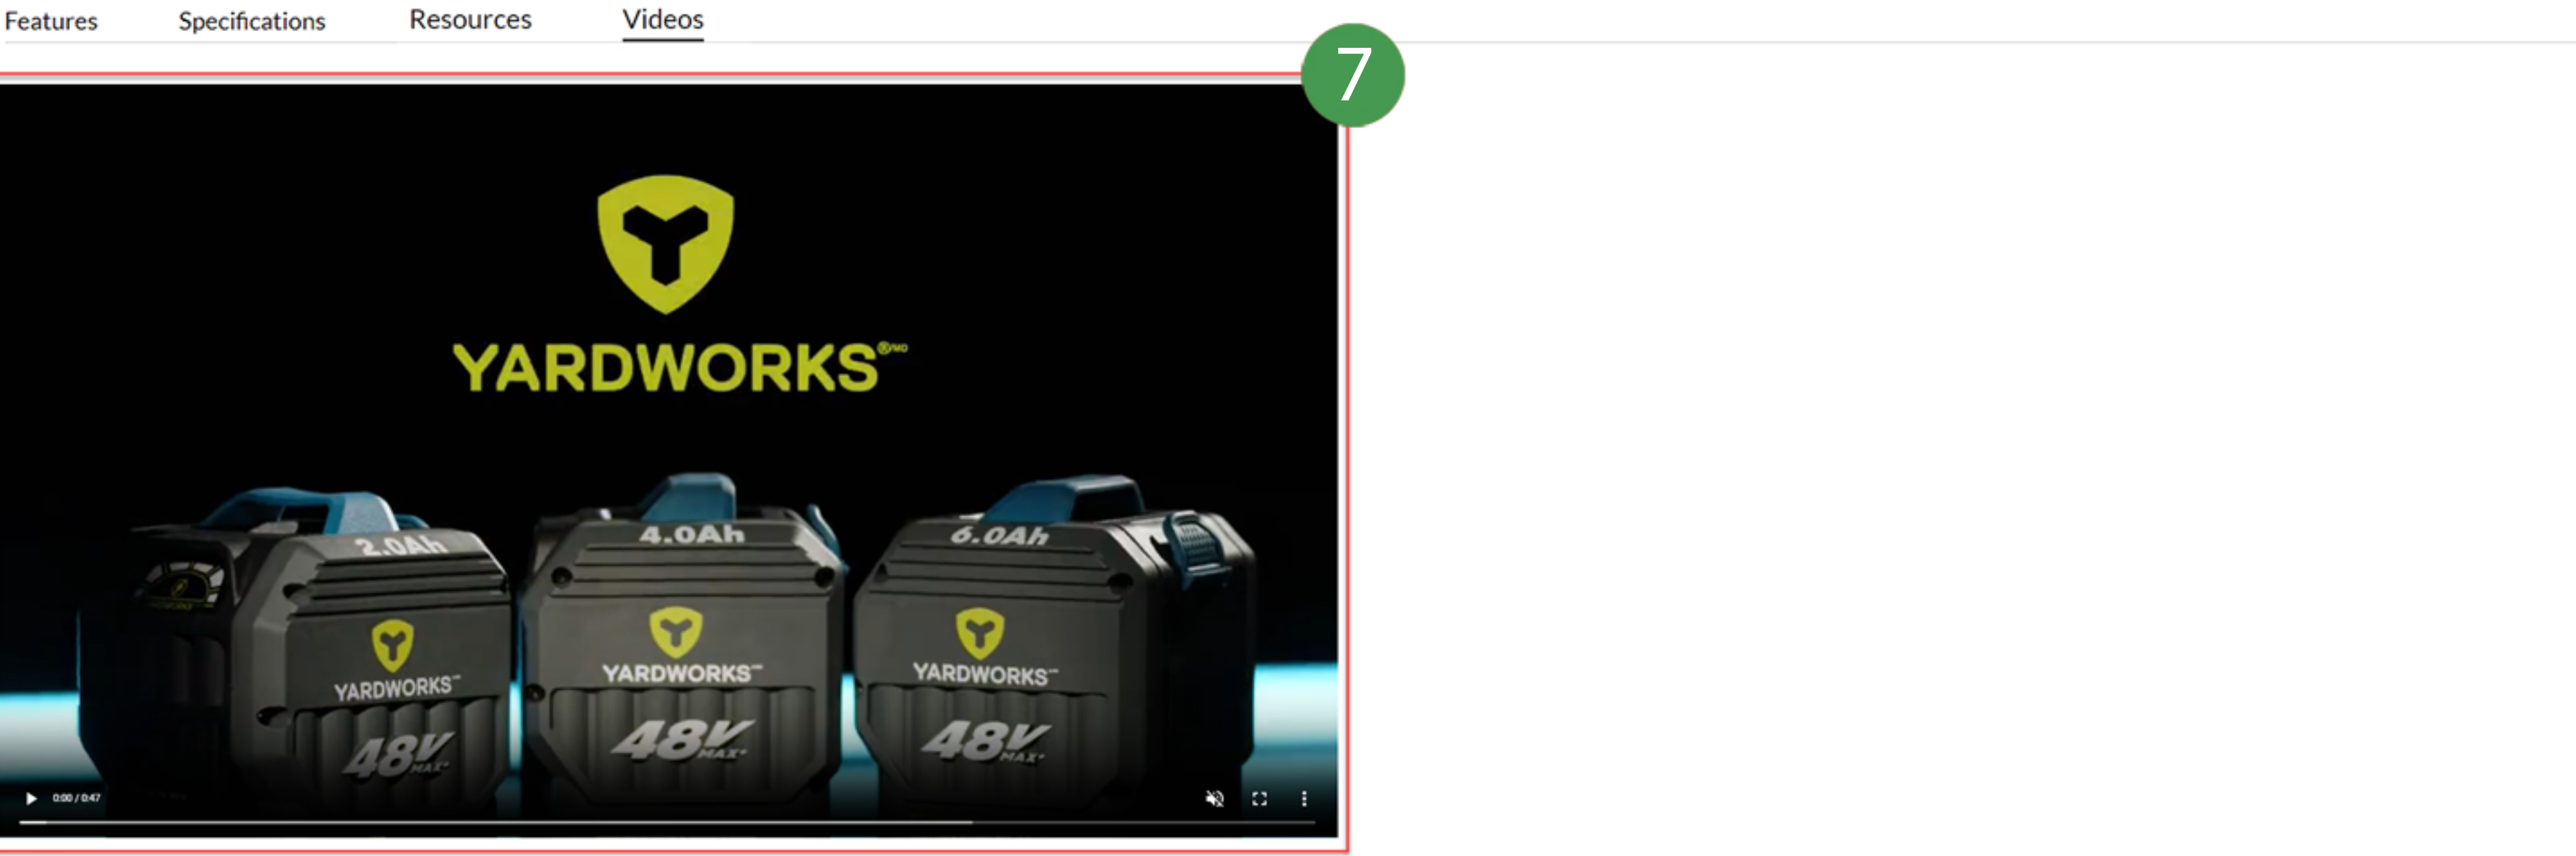

Product Details

The Yardworks 48V 20" Brushless Mower is part of the 48V family of products and delivers excellent cutting performance and reliability with an efficient brushless lawn moving mechanism. A quick button start, quiet engine, and a padded grip make this lawn mower easy to start and drive. This Yardworks lawn mower features mulch, bag and side discharge in one simple and lightweight machine. Once used, the collapsible handle allows for compact and convenient storage. 5-year warranty included.
