

Product Name:
MOTOMASTER™ WHITE GREASE
Description:

MotoMaster White Grease is a high quality, multi-purpose grease for non-severe applications. It has a low odor suitable for inside applications. It is a long lasting grease that provides superior performance in a variety of weather conditions.

Applications:

MotoMaster White Grease is a general purpose lubrication for grease-lubricated applications. Especially used where darker colored greases cannot be tolerated:

Automotive: Linkages, hinges latches, gear shift mechanisms, battery terminals, window regulators, cables, ash tray guides, seat tracks, engine rebuilding;

Marine: Boat trailer rollers, winches, outboard motor pivot points, remote control linkage and cables;

Shop, farm and home: General lubrication home appliances, windows, bicycles, fishing reels, garage door rollers, lawn mowers and sweepers.

Typical Properties:

Material Code	665504436
NLGI Consistency Number	2
Thickener	Lithium
Texture	Smooth
Color, Observed	White
Worked 60 Penetration, ASTM D217	265-295
Dropping Point, ASTM D566, °F (°C)	350 (177)
Rust Prevention, ASTM D1743, rating	Pass
Approximate Temperature Range, °F (°C)	5 to 290 (-15 to 143)
