

Product Name:
MOTOMASTER™ MULTI-PURPOSE GREASE
Description:

MotoMaster Multi-Purpose Grease is a premium lithium grease with extreme pressure, anti-wear and anti-corrosion characteristics. Offers wide temperature range of pumpability. It is an extremely versatile grease. Use as directed in your service manual and user's guide.

Applications:

MotoMaster Multi-Purpose Grease is recommended for use where a NLGI No. 2 EP multi-purpose grease is specified. Superior protection to lubricate a wide variety of heavy duty automotive, trucking, industrial, mining and construction equipment. Can be used in plain (sleeve or cylinder) and anti-friction bearings (roller, needle and ball) chassis and ball joints, pin and bushings.

Typical Properties:

Material Code	665557436
NLGI Consistency Number	2
Thickener	Lithium
Texture	Smooth
Color, Observed	Amber
Worked 60 Penetration, ASTM D 217	265-295
Dropping Point, ASTM D 566, °F (°C)	360 (182)
Rust Prevention, ASTM D 1743, rating	Pass
Timken OK Load, ASTM D 2509, lb.	45
Four-Ball EP Weld Point, ASTM D 2596, kgf	250
Approximate Temperature Range, °F (°C)	5 to 290 (-15 to 143)
