

**Product Name:**

**CERTIFIED™ MULTI-PURPOSE LITHIUM GREASE**

**Description:**

Certified Multi-Purpose Lithium Grease is a Lithium soap thickened grease that is ideal for standard temperature and speed applications.

**Applications:**

Certified Multi-Purpose Lithium Grease is best suited for general purpose applications requiring frequent relubrication due to a contaminating environment.

**Typical Properties:**

<b>Material Code</b>	<b>665408436</b>
NLGI Consistency Number	2
Thickener	Lithium Stearate
Texture	Smooth
Color, Observed	Brown
Worked 60 Penetration, ASTM D217	265-295
Dropping Point, ASTM D2265, °F (°C)	320 (160)
Approximate Temperature Range, °F (°C)	0 to 264 (-18 to 129)
