

Product Name:
MOTOMASTER™ SUPER HEAVY DUTY GREASE
Description:

MotoMaster® Super Heavy Duty Grease is a premium quality lithium complex grease that contains 3% of molybdenum disulfide for added protection against wear in medium to severe service applications. This grease is fully formulated with extreme pressure, anti-wear, anti-corrosion and oxidation inhibitors and contains a special polymer for superior film strength.

Applications:

MotoMaster® Super Heavy Duty Grease is recommended for heavy duty commercial and industrial applications. It is specifically designed for off-highway and construction equipment, trucking and industrial applications.

Typical Properties:

Material Code	665154436
NLGI Consistency Number	2
Thickener	Lithium Complex
Texture	Smooth, Stringy
Solid Additive, %	Molybdenum Disulfide, 3.0
Color, Observed	Grey
Worked 60 Penetration, ASTM D217	265-295
Dropping Point, ASTM D566, °F (°C)	520 (271)
Rust Prevention, ASTM D1743, rating	Pass
Four-Ball EP Weld Point, D2596, kgf	800
Approximate Temperature Range, °F (°C)	0 to 349 (-18 to 176)
