

2-PACK FOLDING LED WORK LIGHTS

model no. 037-3185-6

IMPORTANT:
Please read this manual carefully before using
this light and save it for reference.

INSTRUCTION MANUAL

SAFETY

WARNING!

- Do not use if broken, bent, cracked or damaged parts are present. Any light that appears damaged in any way or operates abnormally must be removed from service immediately. Inspect before each use.
- Do not allow children to play with the light or packaging materials. Keep out of reach of children.
- Do not use in wet conditions. The light is not waterproof.
- Do not use the light near open flames or glowing embers.
- Do not shine directly into eyes.
- Keep the magnetic base away from direct contact with electronic implants, such as cardiac pacemakers; it can cause interference leading to dangerous, life-threatening situations.
- Do not place the work light on or near computer equipment, computer disks or other types of magnetic storage equipment; strong magnetic fields can erase computer data.

CAUTION!

Only use new batteries of the required size and type (3 x AAA, not included). Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.

PACKAGE CONTENTS

2 Pieces Folding LED Work Light

Light source:	LED
Power supply:	3 x AAA batteries (not included)

PRODUCT FEATURES

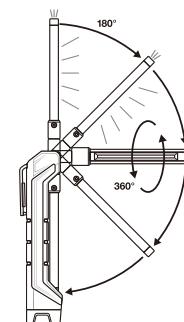

Highly luminous efficiency and low energy consumption with LED technology.
Folding design.

Three light modes.

Magnetic base and magnetic clip.

SWIVEL LED

The folding LED work light features a swivel LED. LED can be swivelled up and down to 180° and can rotate 360°. You can adjust the LED direction to fit your desired position.

MAGNETIC BASE AND CLIP

The light features a magnetic base and magnetic clip which allow the light to be magnetically attached to a vehicle or other metal objects' surface.

NOTE:

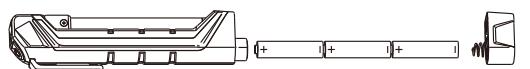

Do not place the light on or near computer equipment, computer disks or other types of magnetic storage equipment as strong magnetic fields can erase or corrupt data.

INSTALLING

4

INSTALLING THE BATTERIES

- Unscrew the magnetic base to see the battery compartment.
- Insert 3 x AAA batteries (not included) into the cavity in the correct positions.
- Tighten the magnetic base.

NOTE:

Incorrect installation of the batteries may damage the light.
Only use new batteries of the required size and type. Do not mix old and new batteries, different types of batteries, or rechargeable batteries of different capacities.

OPERATION

This folding LED work light features three different light functions. Press the on/off switch to turn the light on or off. The switching order is: torch LED on, low light of COB LED on, high light of COB LED on, off. Select the suitable light operation mode for each application.

SAFETY

BEFORE YOU USE THIS DEVICE FOR THE FIRST TIME, PLEASE READ THE FOLLOWING NOTES IN THIS MANUAL AND HEED ALL WARNINGS, EVEN IF YOU ARE FAMILIAR WITH HANDLING ELECTRONIC DEVICES. KEEP THIS MANUAL IN A SAFE PLACE FOR FUTURE REFERENCE.

Maintenance

5

CLEANING

Wipe the exterior surface of the light with a soft cloth, dampened with soap and water. Do not immerse or submerge any part of the light in any solvent. Never use cleaning agents containing petroleum (gasoline, kerosene, oil), paint thinner, turpentine, alcohol or ammonia.

STORAGE

Store the light in a clean and dry area. When not using the light for a long period, remove the batteries from the light.

ENVIRONMENTAL CONCERN

Do not dispose of batteries in household waste. Dispose of them in an environmentally safe way. The product and packaging are made from recyclable materials. If the product is no longer suitable for use, dispose of it in an environmentally friendly manner in accordance with your local ordinances.

This product carries a one (1) year warranty against defects in workmanship and materials. MotoMaster Canada agrees to have any defective lights replaced free of charge, within the stated warranty period, when returned by the original purchaser with proof of purchase. This product is not guaranteed against wear or breakage due to misuse and/or abuse.
