SERVICE À LA CLIENTÈLE DE SYSTEM BUILD

Before starting – Antes de Empezar – Avant de débiter.

- ☐ Read each step carefully before starting. It is very important that each step is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.

Lea con cuidado cada paso antes de empezar. Es muy importante que cada paso se ejecute en el orden correcto, de lo contrario, tendrá dificultades en el ensamblaje.

Lisez chaque étape soigneusement avant de commencer. Il est très important que chaque étape de l'assemblage soit exécutée dans le bon ordre. Si ces étapes ne sont pas suivies dans l'ordre, des difficultés d'assemblage se produiront.

- ☐ Make sure all parts are included. Most board parts are labeled or stamped on the raw edge. *Asegúrese de tener todas las piezas. Cada pieza está marcada con una etiqueta o con un sello en el lado sin acabado.*

Assurez-vous que toutes les pièces sont incluses. La plupart des pièces en bois sont étiquetées ou estampées sur le bord non-fini.

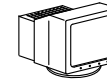

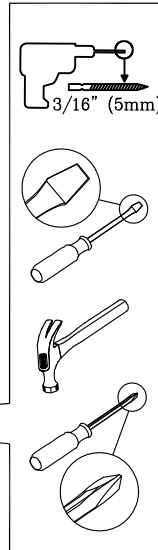

- ☐ Work in spacious area, preferably on a carpet, near the place the unit will be used. *Ejecute el ensamblaje en un área espaciosa, de preferencia sobre alfombra y cerca del lugar donde se usará el mueble.*

Travaillez dans un endroit spacieux, préférentiellement sur un tapis, près de l'endroit où le meuble sera utilisé.

- ☐ Have the following tools. *Tenga las siguientes herramientas a la mano.*
Ayez les outils suivants à la portée de la main.

- ☐ Do not use power tools to assemble your furniture. Power tools may strip or damage the parts. *No use herramientas eléctricas para ensamblar el mueble. Las herramientas eléctricas pueden dañar la unidad.*

N'utilisez pas d'outils électriques pour assembler votre mobilier. Les outils électriques peuvent démonter ou endommager les pièces.

HELPFUL HINTS

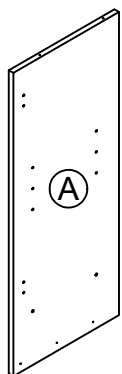

- Visit our website for basic assembly tips and to order replacement parts.
- Identify, sort and count the parts before attempting assembly.
- Call our toll free number if you need assistance identifying parts.
- Compression dowels are tapped in with a hammer.
- Slides have lips only on the right side.
- Cam locks that are properly fastened on a horizontal board will face toward the center of the unit, on a vertical board the point on the lock will face the bottom.
- Back panels provide stability and support. Use all the nails provided.
- When nailing back panels to the unit, be sure there is equal distance on all sides to square the unit.
- Units without the back panel installed may collapse.
- Clean the product with your favorite furniture polish and a soft cloth. DO NOT USE harsh chemicals or abrasive cleaners.
- Move your new furniture carefully, with two people lift and carry the unit to a new location.
- Never push, pull or drag your furniture (especially on carpet).
- Your System Build furniture can be disassembled and reassembled to move.
- Additional parts are available for a nominal fee.

NOTAS UTILES

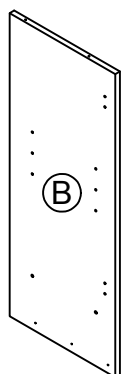

- Visite nuestro pagina de internet para que siga los pasos básicos del samblaje del mueble y ordene las partes que necesitan ser reemplazadas.
- Identifique, clasifique y cuente todas las partes antes de empezar el ensamblaje.
- Llame gratis al número de servicio al cliente si necesita ayuda con el montaje de la unidad.
- Las clavijas de compresión se taladran con un martillo.
- Las correderas del cajón solo tienen un borde en el lado derecho.
- En las piezas (tablas) horizontales, las cerraduras deben quedar al lado derecho cuando están colocadas apropiadamente. En el caso de una pieza (tabla) vertical, las cerraduras deben quedar hacia abajo.
- Los paneles traseros dan estabilidad al mueble. Use todos los clavos incluidos.
- Clave el panel trasero teniendo cuidado de mantener la misma distancia entre los clavos.
- Los muebles que no tienen el panel trasero pueden colapsar.
- Use cualquier producto que sea específico para limpiar muebles. No use químicos o sustancias abrasivas.
- Mueva su mueble con mucho cuidado y con la ayuda de otra persona levante y mueva el mueble a su lugar.
- Nunca empuje, jale o arrastre un mueble (especialmente sobre alfombra).
- Los muebles de System Build pueden ser ensamblados o desarmados para ser transportados.
- Por un pago nominal puede ordenar partes adicionales.

NOTES UTILES

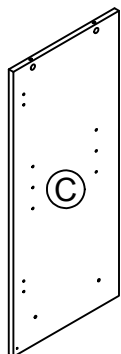

- Visitez notre site web pour obtenir des conseils de montage de base et pour commander des pièces de rechange.
- Identifiez, séparez et comptez les pièces avant d'entreprendre l'assemblage.
- Appelez à notre numéro sans frais si vous avez besoin d'aide pour identifier les pièces.
- Les goudjons de compression sont insérés avec un marteau.
- Les glissières ont des rebords seulement sur le côté droit.
- Les serrures de came qui sont serrées sur une planche horizontale doivent faire face au centre de l'unité. Sur une planche verticale, la pointe de la serrure doit être orientée vers le bas.
- Les panneaux arrière stabilisent et soutiennent le meuble. Utilisez tous les clous fournis.
- En enfonçant les clous dans une planche, assurez-vous que toutes les distances entre les coins sont égales pour que l'unité soit carrée.
- Sans leur panneau arrière, les unités peuvent s'écrouler.
- Nettoyez le produit avec votre poli à meubles préféré et un linge doux. NE PAS UTILISER de produits chimiques ou de nettoyeurs abrasifs.
- Déplacez votre nouveau meuble avec soin, avec l'aide d'une autre personne et portez-le jusqu'à son nouvel emplacement.
- Ne jamais pousser ou traîner votre meuble (surtout sur un tapis).
- Votre meuble System Build peut être démonté puis ré-assemblé pour être déplacé.
- Il est possible d'obtenir des pièces supplémentaires à un prix modique.

Exploded view diagram of a cabinet assembly. The diagram shows three main panels: Panel A (left), Panel B (top), and Panel H (bottom right). Panel B is labeled "Finished Edge", "Borde Acabado", and "Bord Fini". Panel H is labeled "H". The diagram illustrates the assembly of these panels using screws and a locking mechanism. A detailed view of the locking mechanism is shown in the top right corner, indicating the "UNLOCK" (DESAPRETAR / OUVRIIR) and "LOCK" (APRETAR / SERRER) positions.

 Avec l'aide d'une autre personne, placez le meuble sur son devant

⚠ WARNING

Please make sure that the Back Panel is attached securely. All nails must be driven into the parts straight. Failure to do so could cause instability, product collapse, and/or serious injury.

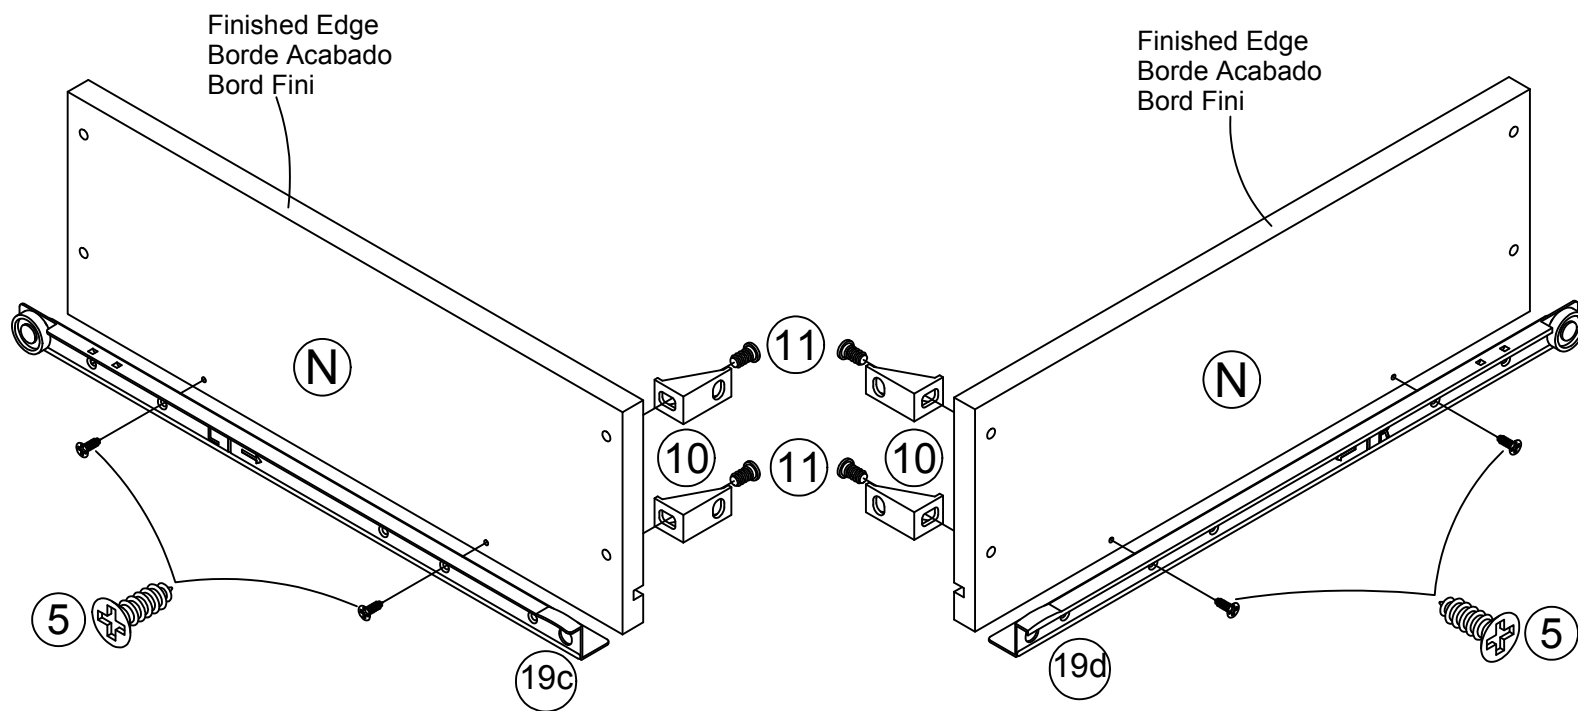

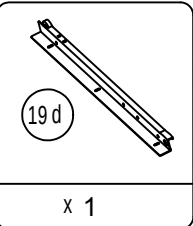

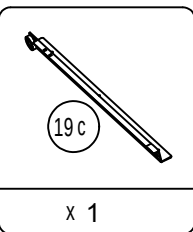

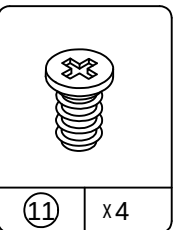

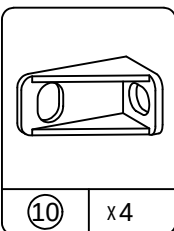

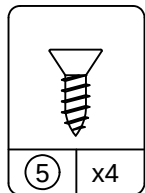

⚠ ADVERTENCIA

Por favor asegúrese que el Panel Trasero se atan firmemente. Todos los clavos deben manejarse en las partes recto y firmemente. El fracaso para hacer para que podría causar inestabilidad, derrumbamiento del producto, y/o la lesión seria.

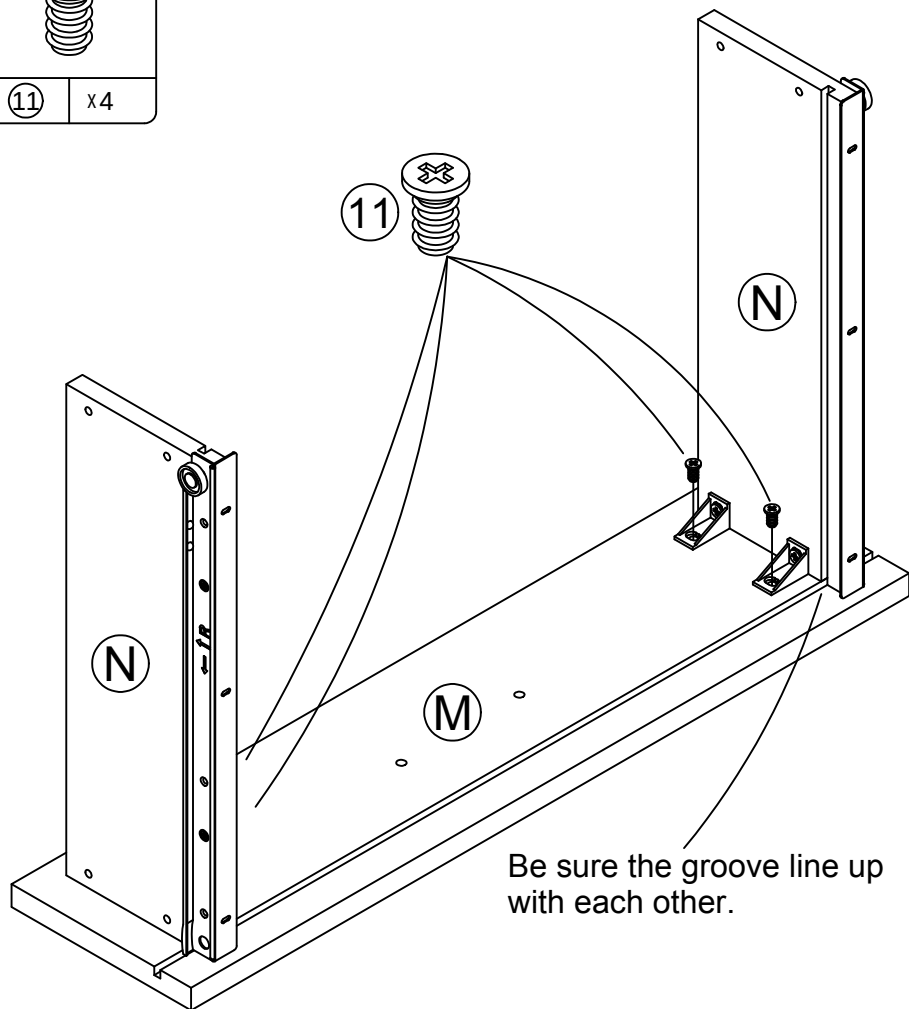

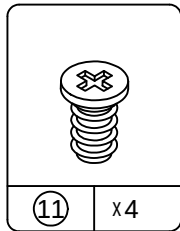

⚠ AVERTISSEMENT

S'il-vous-plaît assurez-vous que le Panneau Arrière soit attaché solidement. Tous les clous doivent être enfoncés perpendiculairement et solidement dans les pièces. Sinon le meuble peut devenir instable, s'effondrer subitement et/ou causer des blessures graves.

MAXIMUM LOADS – CARGA MAXIMA - CHARGES MAXIMALES

This unit has been designed to support the maximum loads shown. Exceeding these load limits could cause sagging, instability, product collapse, and/or serious injury.

Esta unidad ha sido diseñada para soportar la carga máxima anotada. El exceder estos límites puede causar inestabilidad, colapsarse y/o causar serias lesiones.

Ce meuble a été conçu pour supporter les charges maximales indiquées. En excédant ces limites de charge, le meuble pourrait devenir instable, s'effondrer, et/ou causer des blessures graves.

Certificate of Conformity
