

The ideal introductory label maker

Portable and easy to use, the PT-H110 is a great pick for all your home and office labelling needs. With a QWERTY keyboard, convenient one-touch keys, an easy-view display to preview your labels before printing and a built-in memory that stores up to 15 labels for fast reprinting, labelling is quick and simple.

Manual cutter

Up to 12 mm

Sold separately

Sold separately

Many fonts, frames and symbols

Choose from 3 fonts, 10 character styles, 15 frames and over 250 symbols to customize your labels however you want.

Hot keys

Easily and quickly select font types, sizes, effects and frames using the dedicated row of function keys. There's even a cable marking function to print flag labels that wrap onto themselves for clear and easy identification of AC adapters, plugs and cables.

Endless tape and ribbon applications

Discover Brother's wide range of P-touch TZe durable, easy-peel tapes and decorative ribbons available in a large variety of sizes, colours and materials.
