Warning! Please use your furniture correctly and safely. Improper use can cause safety hazards, or damage to your furniture or household items. Carefully read the following safety information.

- Please read and understand this entire manual before attempting to assemble, operate, or install the product.
- Any assembly or maintenance of the product must be carried out by adults only.
- Some parts may contain sharp edges. Wear protective gloves if necessary.
- To prevent damage, place all parts on a level surface during assembly. Add a layer of protective surface if needed.
- Due to the nature of steel, surface oxidation (rusting) will occur if the protective coating is scratched. This is a natural process. To minimize this condition, it is recommended that care be taken when assembling and handling the product in order to prevent the paint from being scratched.

Needed for Assembly:

NOTE: Do not over-drill.
Be aware of over-drilling.
