Before You Begin Assembly

Make Sure All Parts Are Present

Compare all pieces to the parts and hardware lists, and make sure you have all tools required for assembly.

Assemble in a Cleared Area

Place all parts from the box on the floor in front of you on a clean, dry, level surface to protect the product as it is being built.

Remove Packaging Materials

Place packing materials back in the box. Do not dispose of packing materials until assembly is complete.

Read Each Step Carefully

Make sure you understand each step. If you have any questions, contact the For LIVING® customer service centre at 1-877-483-6759 (toll free).
