

GRABBER™ X3

EXTREME TERRAIN, SYMMETRIC

MAKE ANYWHERE POSSIBLE WITH THE GRABBER™ X3. THIS EXTREME TERRAIN TIRE DELIVERS EXCEPTIONAL OFF-ROAD PERFORMANCE IN MUD, DIRT AND ROCK COVERED TERRAIN. THE PERFECT FIT FOR LIGHT TRUCKS AND SUVS.

3-Ply DURAGEN™ Technology: Race proven durability and puncture resistance provide driving confidence under the world's most extreme conditions.

High Void Pattern Design: An aggressive open pattern with massive tread blocks delivers extreme off-road traction, with quick and efficient self cleaning evacuation channels.

Sidewall Protection Lugs: Boldly styled protection pads alternate in-and-out for additional side grip during extreme off-roading.

Deflection Ribs: A series of stacked ribs in the upper sidewall deflect obstacles from the tire body to protect against damage and penetration.

Alternating Shoulder Scoops: Aggressive areas of high void expose large grip surfaces on neighboring blocks that provide additional traction in loose, deep and rocky terrain.

Stone Bumpers: Raised protection ribs in groove bottoms, minimize stone retention and drilling for improved puncture resistance.

Available in Smooth Red Letter (SRL) and Black Sidewall (BSW).

45
DAY TRIAL
OR THE FIRST 2/32^{nds} OF TREAD

See warranty manual for complete detail on Limited Trial.
