Assembly	6
Warranty	8

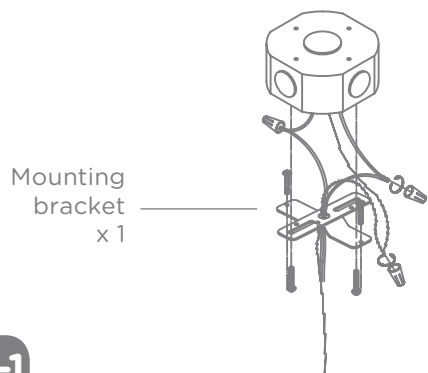

**READ INSTRUCTIONS AND REVIEW ALL DIAGRAMS BEFORE
INSTALLING FIXTURE.**

GENERAL INSTRUCTIONS:

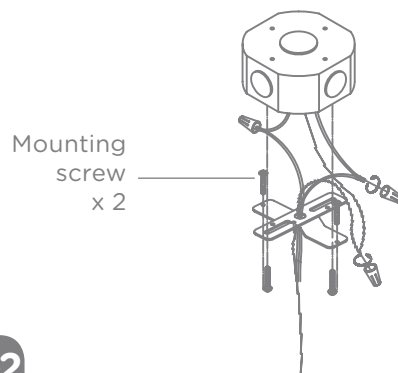

1. All electrical connections must be in accordance with local codes, ordinances and the Canadian Electrical Code.
1. These fixtures should be mounted on electrical outlet box. The box must be directly supported by the building structure.
2. Turn off the circuit breaker or remove the appropriate fuse to disconnect power source before installing fixture.
3. Turning the light switch off to cut the power is not sufficient to prevent electric shock. When in doubt about the safety of any electrical installation or repair, consult a qualified electrician.

6 **PRODUCT NO. 052-2685-4****Step 1**

Requires **B-1, C, D,**

1. Screw stem **C 1** onto canopy **B-1**.
2. Screw stem **C 2** onto stem **C 1**.
3. Screw stem **C 3** onto stem **C 2**.
4. Screw stem **C 3** onto fixture **D**.

Step 2

Requires **E, F**

1. Screw stem **F** onto threaded stem **E**. Repeat 5 times.

Step 3

Requires **G**

1. Screw in bulb **G** (E12 candelabra base, 60 W, not included).
Repeat 5 times.
DO NOT EXCEED WATTAGE.

Step 4

Requires **A-1, A-3, A-4**

1. Place mounting bracket **A-1** over the centre of the ceiling junction box.
2. Align the holes in the mounting bracket **A-1** with the holes in the junction box and attach with 2 junction box screws **A-4**. Secure the screws with a screwdriver.
3. Gently pull the wiring down from the ceiling junction box and allow it to hang.
4. Carefully inspect the wires of the chandelier and the ceiling junction box. Usually, the “live” or positive (+) wire is black, the neutral wire is white and the ground wire is green.
5. Attach the live (+) wire of the chandelier to the live (+) wire of the junction box. Secure them together with a wire connector **A-3**, and wrap the connection with electrical tape.
6. Attach the neutral (-) wire of the chandelier to the neutral (-) wire of the junction box. Secure them together with a wire connector **A-3**, and wrap the connection with electrical tape.
7. Attach the ground wire of the chandelier to the ground wire of the junction box. Secure them together with a wire connector **A-3**, and wrap the connection with electrical tape.
8. Gently tuck the wire connections neatly into the ceiling junction box and tighten the wire.

Step 5

Requires **A-1, A-2, B-1, B-2**

1. Push the canopy **B-1** up over the mounting bracket **A-1** until it is aligned with the ceiling. Align the holes in the canopy with the mounting screws **A-2** and secure with the decorative nuts **B-2**.

8 PRODUCT NO. 052-2685-4

This CANVAS™ product carries a one (1) year warranty against defects in workmanship and materials. Trileaf Distribution agrees to replace the defective product free of charge within the stated warranty period, when returned by the original purchaser with proof of purchase. This product is not guaranteed against wear or breakage due to misuse and/or abuse.
