WARNING! To reduce the risk of serious injury, read the following safety instructions before assembling and using the table.

**Caution! Always keep children under close supervision while they are using or around this product.
Never leave children unattended.**

- This product is intended for indoor domestic use only.
- Do not allow your children to climb or jump on furniture due to possible accident, injury or death. A child climbing on a piece of furniture can make it top-heavy and cause the furniture to tip over.
- Any assembly or maintenance of the product must be carried out by adults only.
- Arrange necessary manpower when assembling or moving the product.
- Some parts may contain sharp edges. Wear protective gloves if necessary.
- Keep children and pets away.
- Check all nuts and bolts periodically for tightness. When required, tighten them again.
- Repairing and replacing parts should be done by a qualified technician.
- Failure to follow these warnings could result in serious injury.
- Maximum load weight is 181.4 kg (400 pounds).
- This unit is intended for use only within the maximum weight indicated. Use with loads heavier than the maximum weight indicated may result in instability, causing possible injury.

IMPORTANT: Retain for future reference, and read carefully.

**CAUTION!**

- Check all screws and nuts periodically for tightness, tightening them again as required.
- Never move or push heavy furniture by yourself because it can cause the furniture to tip over. Ask a friend to help you lift the furniture and set it in appropriate place.

- Dust frequently with a soft dry cloth in the direction of the grain.
- Use products specifically made for cleaning wood.
- Use a wood-conditioning cleaner that does not contain waxes or silicones (test the product in an unseen location first).
- Clean spills immediately with a soft, damp cloth.
- Standing water can cause white spots on the wood finish.
- Chemicals such as alcohol, perfume, and medicines can cause severe damage to the wood finish.
- Protect the wood by using coasters.
- Use a protective pad when using your furniture as a desk or writing surface (especially when using a ballpoint pen).
- Do not expose wood furniture to direct sunlight, drying heat sources or dampness.
