WELCOME TO VERMONT CASTINGS

Founded in 1975, Vermont Castings has always stood for uncompromising commitment to quality craftsmanship and meaningful design. Our wood stoves and hearth products deliver more than heat – they create a warmth that unites.

Lit with purpose, our line of Vermont Castings barbecues are designed to deliver your best grilling experience. With a durable, robust construction built to last through the years, thoughtfully constructed components that stand up to grilling in any season, and a simplified system to make maintaining your investment easier, Vermont Castings continues the promise of unwavering quality and purposeful design.

Vermont Castings barbecues do more than just grill. They let you create enduring connections around food and flame.

NATURAL GAS CONVERSION CUSTOMERS
PROCEED TO STEP 24.

BUILD IT

STEP 24

Wrench

NATURAL GAS CONVERSION CUSTOMERS ONLY.

You will need the natural gas hose included with the **Convertible Valve System Kit (Model 085-2261-4)** in this step. See **Step 9A** in manual included with this kit.

BUILD IT

STEP 25 CONNECTING YOUR BARBECUE TO THE NATURAL GAS SOURCE.

Coat pipe nipple with gas-resistant teflon tape or pipe dope. Tighten quick-disconnect coupling onto pipe nipple that leads to natural gas supply (**FIGURE A**).

With the natural gas supply valve "OFF", connect the natural gas hose to the quick connect socket. Push the sleeve back on the quick connect socket (**FIGURE B**) and insert the plug until the sleeve snaps forward, locking the plug into the quick connect socket. Be sure to leak test these connections prior to use.

⚠ FIRE HAZARD—Do not route the natural gas hose inside of the barbecue cart.

BUILD IT

WARNING!
HOT SURFACES.

WARNING: EXTERIOR SURFACES WILL BECOME VERY HOT. TO PREVENT BURNS, ALWAYS WEAR INSULATED PROTECTIVE BARBECUE GLOVES WHEN USING THE BARBECUE.

- KEEP AWAY FROM COMBUSTIBLE MATERIALS.
- KEEP CHILDREN AND PETS AWAY FROM THIS GAS-FIRED BARBECUE.
- AVOID DANGEROUS FIRES: DO NOT LEAVE YOUR BARBECUE UNATTENDED WHILE IN OPERATION.

BEFORE YOU BEGIN

**DON'T TAKE RISKS, READ THE USER MANUAL.
KNOWING HOW YOUR BARBECUE WORKS IS KEY TO USING IT SAFELY.**
